Personal Lubricants

At Karex, we strive to inspire each and every one to explore pleasure and intimacy with our range of products. Being the world's largest condom maker, we also manufacture personal lubricants that are formulated from the finest quality of ingredients to provide longer lasting, silky and smooth lubricants. Our greaseless and non-toxic personal lubricants are suitable for additional vaginal lubricant and made to enhance pleasure.

In addition, our personal lubricants meet the stringent harmonised standards like ASTM D7661, NF97-034 and WHO guidelines.

We offer a large variety of personal lubricants that are customisable to your requirements.

WHO IS KAREX?

- Karex has the market reputation as proven track record as the world's largest condom maker
- We have the capacity to produce over 5 billion condoms annually
- We export to over 130 countries globally
- We are compliant with various management systems such as ISO 13485, ISO 14001, US FDA 21 CFR Part 820, Brazil RDC 16/2013 and GMP
- We also manufacture other products such as condoms, catheters, probe covers and gloves
