# Personal Lubricants

At Karex, we strive to inspire each and every one to explore pleasure and intimacy with our range of products. Being the world's largest condom maker, we also manufacture personal lubricants that are formulated from the finest quality of ingredients to provide longer lasting, silky and smooth lubrications. Our greaseless and non-toxic personal lubricants are suitable for additional vaginal lubrication and made to enhance pleasure.

In addition, our personal lubricants meet the stringent harmonised standards like ASTM D7661, NF97-034 and WHO guidelines.

We offer a large variety of personal lubricants that are customisable to your requirements.
